Hi, George. I heard you love movies. In this city, we have a big movie event every year. Do you know about it?

 This year, the festival will be held on November 2 and 3 in Green Park. There will be some \*food stalls, so we can enjoy delicious food, too. I'm going to go to the event with Shuhei and Manami. Do you want to come with us? If you want to, I'll get a ticket for you.

Hi, Saki. Thank you for your e-mail. I'm happy to hear that you also like movies. I'm also interested in old Japanese movies. Now, I like watching Japanese anime movies, too.  
 I saw the poster for the movie festival at the station last Sunday, and I got a ticket online yesterday. However, I've never been to the park, so I want to go there with you. The website says we can go there by bus or train. Which day will you go, November 2 or 3? I will be free both days, so tell me your schedule.  
 By the way, the event will be held in the park, right? Will we watch movies outside?

Good morning, George. I'm surprised you have got a ticket. Manami has a piano concert on November 2, so we will go to the festival on the second day. There aren't many buses going to Green Park, so we should take a train. Please come to my house at eleven. It takes about forty minutes from my house to the park. Let's eat lunch at the stalls before watching the movies.  
 Green Park is a large park and there are some big stages. The movies will be shown on screens on the stages. You can enjoy them \*outdoors.
